To Whom It May Concern:

We just had the opportunity to host S.I.P Kids' Keeping Kids Safe Project and we couldn't be happier with the results. Hosting the event entails little work and has big payoffs! We were able to positively impact tons of children and also gained traffic throughout the two days that S.I.P. Kids was here.

The organization and effort required to set up and execute an event like this has got to be extensive and we can't thank S.I.P. Kids enough for all of their hard work toward making our event a success. A big part of the success was the involvement of our local organizations. Seeing our community work together for the greater good makes us feel proud to be a part of it.

Thank you again to S.I.P. Kids! Katelyn, your representative, worked wonderfully with our staff and with the families from our community. We can't wait to have another fingerprinting event in the future and work with you again.

Sincerely,
