

April 22, 23 2011

On behalf of Findlay Kia, I would like to commend S.I.P. Kids for all their hard work that they put into this year's event and all of our previous events. From start to finish, they take care of almost everything. It is very refreshing to see an organization so dedicated to putting together great events for their sponsors.

Each year our event staff representative, Kathy, is so great with the families and we enjoy having her here to provide this great service for the community. We were also joined by the Las Vegas Metro Police Department with expert safety information as well as fun activities and giveaways with our local youth organizations.

Once again we had a fantastic event and would recommend the Keeping Kids Safe Project Digital Fingerprinting Events to anyone looking to get involved with their community. Thanks S.I.P. Kids!

Thanks again,
Marc
