To Whom It May Concern:

We just had the pleasure of hosting a Keeping Kids Safe Project digital fingerprinting event and would highly recommend it to anyone interested. S.I.P. Kids organized everything for us and made extra efforts to get our community involved. This event not only introduced new faces to our dealership, but provided high quality child safety information to the Atlanta area.

Pauline, our S.I.P. Kids representative, was great with the children and parents. She also answered any questions we had with a smile.

We couldn't be happier with the turn out. Any child that we may have had a hand in positively impacting is enough of a reason to host the event. We look forward to working with S.I.P Kids in the future and we thank them for their time and dedication to child safety.

Sincerely,

SAAB OF ATLANTA
