

We would like to thank S.I.P. Kids for the wonderful job they have done putting together our Keeping Kids Safe Project event here at Lee Pontiac Buick. I have been very impressed with how well they worked behind the scenes organizing the details of this event. It takes a great team to put together a good event and they obviously have one! Jacki, our contact, was always very pleasant to deal with and worked hard to deliver a successful weekend.

To add variety to our event Jacki and her team lined up the following participants: the Crestview Police and Fire Departments, the Okaloosa County Sheriff, ATA Tae Kwon Do, United Way of Okaloosa County, and the American Red Cross. The additional information and activities provided to the families was great and helped inform to parents on different issues.

If you are looking for an event to hold that won't take up a lot of time in planning and runs effortlessly I recommend this event. The benefits to our community and our business, without a doubt, make this program worth the investment. We intend to have the S.I.P. Kids team back again!

Respectfully,
