We, at Reliable Toyota, would like to send our sincere appreciation for allowing us the opportunity to sponsor a wonderful Keeping Kids Safe Project event. This program provided us with an amazing way to give back to the community by providing them with this great safety initiative. We had many families attend and they were all very appreciative of the benefits this service gave them.

Our coordinator, Dan, did a great job organizing and fine-tuning the details of our event. He kept us updated on the status of the event and we were always sure things were in good hands. He did an amazing job contacting community organizations and getting them involved in our event. He also took care of all the media contacts – including many PSAs and many postings on online calendars and websites! They did a great job being thorough with spreading the word about our event.

S.I.P. Kids and the Keeping Kids Safe Project went above and beyond our expectations! We are so grateful we have had the opportunity to partner with them and we look forward to another great event next year!
