

April 14, 2012

We really enjoyed hosting the S.I.P. Kids event for the children in our community. The S.I.P Kids staff was able to put things together very efficiently and their efforts to get the word out into the community were great.

With the help of the local community organizations, we were able to offer expert safety information to families as well as information on the local resources that are available to them right here in our area. It was great to have the S.I.P. Kids team here to provide a great service to the families.

We are proud to be sponsors of the Keeping Kids Safe Project and encourage many others to consider sponsoring an event. We are anxious to have you back for another successful event in the near future!

Sincerely,

Carl Leckner
General Manager
