Dear S.I.P. Kids,

Thank you for the terrific event this weekend. We are so proud to be able to provide such an important program to our community. This was a fantastic weekend and we were very impressed in how everything came together. It is obvious that you spent a lot of time coordinating things so this event would be successful. We really appreciate that it was so easy for us to bring this program in. You did a great job getting the word out to the parents in our community and arranging so many activities. The rock-climbing wall brought in by Sokol Baltimore Gymnastics was an especially big hit.

Sincerely,

Mario Di Bene
