

VANDERSTYNE

QUALITY SERVICE ♦ QUALITY PEOPLE

To whom it may concern,

We would really like to thank everyone involved with our Child Safety Event. It was great to see the traffic that it brought to our showroom. This event really made everyone in our community aware of Vanderstyn Toyota. We would also like to thank all of the local organizations that came out to support this event. There were plenty of different activities in our showroom and on our lot to keep everyone interested and involved. S.I.P Kids took charge of organizing the entire weekend, which really made this an easy choice for us. We look forward to working with them again and would definitely recommend the S.I.P Kids, Keeping Kids Safe Project to others.

Thanks again,
