S.I.P. Kids

2302 W 1<sup>st</sup> Street #121

Cedar Falls, IA 50613

Dear Jackie:

Thanks to S.I.P. Kids and our community, we just hosted our 3<sup>rd</sup> Annual Keeping Kids Safe Project digital fingerprinting event. Here at Yark Chevrolet, we pride ourselves on giving back to our community and doing all in our power to make Whitehouse and the surrounding area, a great place to live.

With the help of the local Waterville Township Police and Whitehouse Fire Departments, and other local community organizations, we were able offer expert safety information to families as well as information on the local resources that are available to them right here in our area. It was great to have the S.I.P. Kids team here once again to help provide a great service to the families.

Our event was as always, a great success, and I would recommend the Keeping Kids Safe Project digital fingerprinting program to anyone. What a great way to get involved with the families in your neighborhood!

I would like to have Megan back as our on-site coordinator as she did an excellent job for Yark Chevrolet and the kids.
